### Welcome to The Doyle Collection

The creation of The Doyle Collection signals a new dawn for the Jurys Doyle Hotel Group.

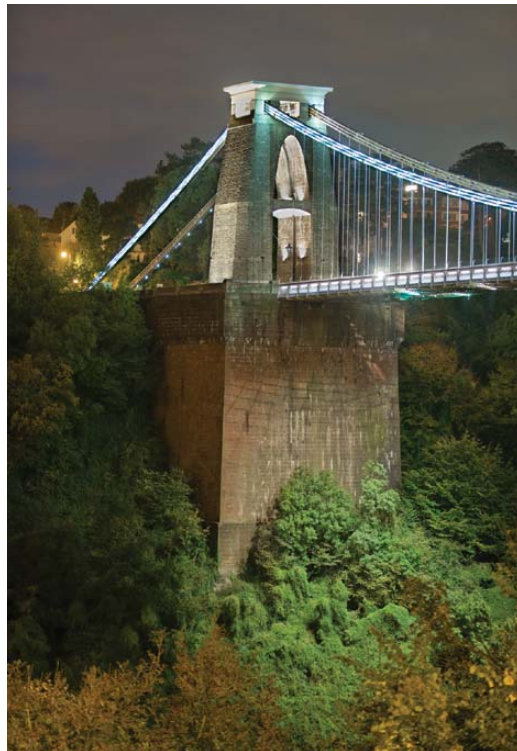

Our hotels are being transformed. A contemporary design ethos of **simple, understated luxury** delivers quality, authenticity and individuality to breathe new life and lustre into our portfolio.

Today, The Doyle Collection comprises a select group of urban havens in six major cities. Eleven hotels of contrasting character sharing a single aim: to provide our guests with a modern interpretation of **extraordinary hospitality and expert service**, that only a hotelier with decades of experience can consistently deliver.

Our new brand reflects our heritage but also embodies the spirit of the new luxury hotel group we are becoming. Over the coming months, as we continue to rename and relaunch our hotels, you will see our vision come to life.

Welcome to The Doyle Collection, a new byword for **memorable luxury**.

## This is where you want to be

Our hotels inhabit the most fashionable quarters of the most sought-after cities, and each one is a unique reflection of its setting.

In the chic surroundings of The Westbury, the best of Dublin is brought to your door: within seconds, you can be entering Trinity College or shopping designer brands on Grafton Street. The airy spaces, sleek lines and waterside location of Jurys Bristol Hotel (soon to become The Bristol Hotel) capture the rejuvenation of the city and its fresh, modern spirit.

In London, our hotels bring space, comfort and style to the city's [urban villages](#). The modern luxury of Jurys Clifton Ford Hotel (soon to become The Marylebone Hotel), for example, is at home amidst the boutiques and delicatessens of Marylebone, with Oxford Street around the corner.

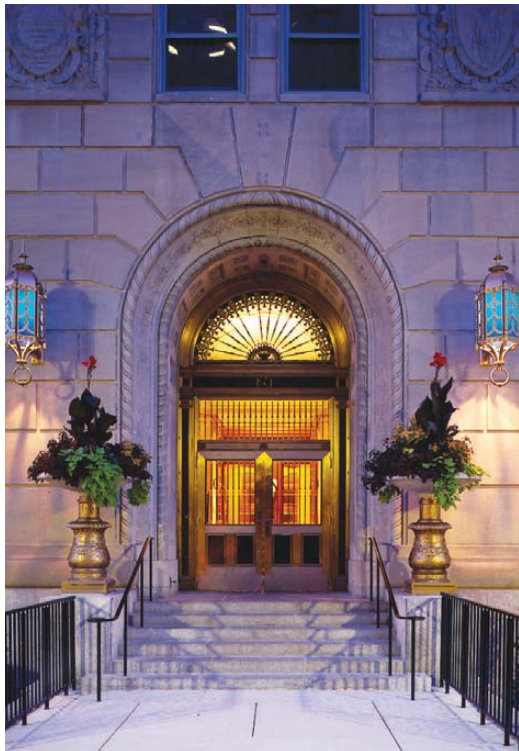

And, for guests in bookish Bloomsbury enjoying the [classic elegance](#) of Jurys Gt. Russell Street Hotel (soon to become The Great Russell Hotel), there is the hush of the British Museum in one ear and the buzz of the West End, Theatreland and Soho in the other.

Our hotels offer a global outlook and a local identity; the best of both worlds. Our guests benefit from the most modern luxuries and facilities in settings that reflect the **culture and historic character** of their location. The food they enjoy in our restaurants and bars is prepared from the freshest locally available neighbourhood ingredients. And the service that greets them blends up-to-the-minute local knowledge with **seasoned international experience**.

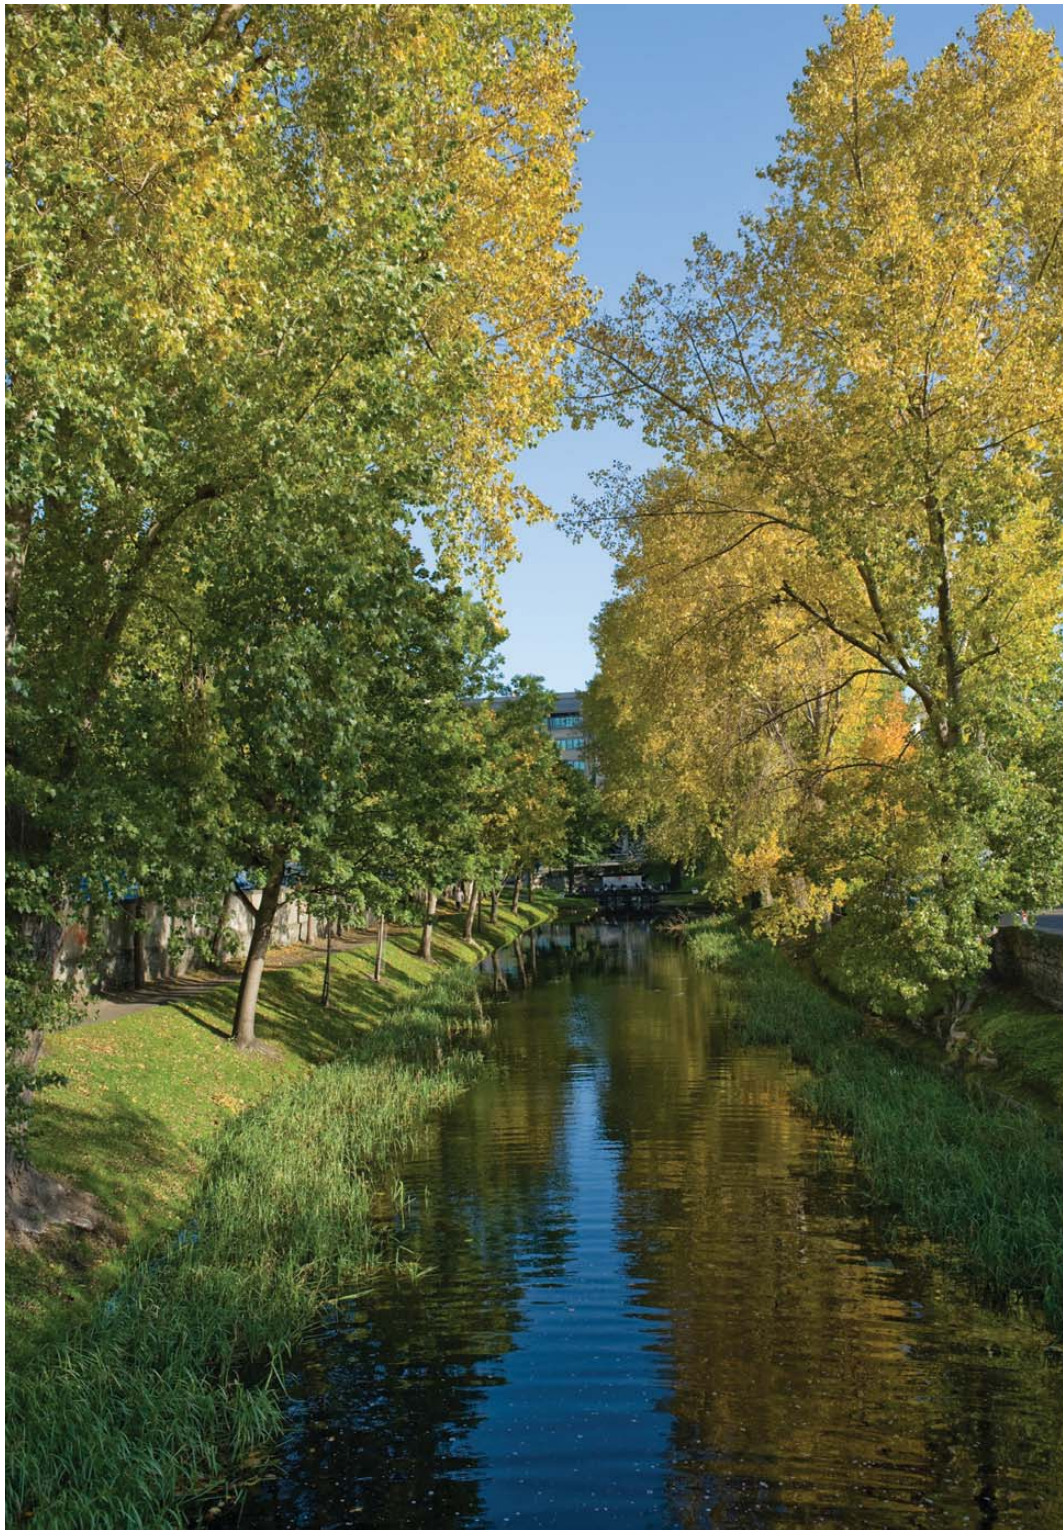

We aim to surprise and delight our guests on every visit, and to reflect the changing nature of luxury

Our interpretation of luxury is an experience that is unique to its location; one that is constantly renewing itself and never repeated elsewhere. We provide our guests with service tailored to their individual needs, as well as all the luxuries they would expect.

Our aim is to create authentic experiences for our guests that embrace the evolution of luxury with a tradition of excellence.
