2025
INDUSTRY
CALENDAR

↑ PALCO SPOTLIGHT TRACK SPOTLIGHT

As we step into 2025, the global hospitality industry continues to thrive, fueled by an unprecedented resurgence in face-to-face connections and collaboration. After the disruption of recent years, the industry has bounced back stronger than ever, with record-breaking attendance at events worldwide. Conferences, trade shows, and summits are once again the cornerstone of innovation and growth, enabling hoteliers, travel professionals, and industry leaders to exchange ideas, forge partnerships, and shape the future of hospitality. Recognizing the vital role of these gatherings, Hospitality Net is proud to introduce its **2025 Industry Calendar**, a comprehensive guide to the year's most significant events.

The 2025 calendar highlights key global and regional gatherings that cover every facet of hospitality, from technology and sustainability to design and operations. With events scheduled across all continents, the calendar ensures industry professionals can stay informed, connect with peers, and participate in meaningful discussions, no matter where they are based. Whether you're planning to attend long-established events like ITB Berlin, ALIS, The Lodging Conference or HITEC, or exploring niche forums focused on emerging trends, our calendar provides all the details you need in one convenient resource.

In-person meetings have always been the backbone of the hospitality business, fostering trust, collaboration, and creativity that digital interactions simply cannot replicate. The pandemic reminded us of the value of human connection, and the return of in-person events has sparked new energy across the sector. Industry professionals are eager to meet, share, and learn from one another, driving progress and innovation in ways that are only possible when we come together. With networking opportunities, educational sessions, and thought-provoking panels, these events empower businesses to adapt to challenges and seize opportunities in an ever-evolving landscape.

At Hospitality Net, we understand the transformative power of these connections, which is why we've curated this calendar to help you maximize your time and resources. The 2025 Industry Calendar is more than a list of dates; it's a tool to inspire and guide your year ahead. We invite you to explore the calendar, mark your must-attend events, and join the global hospitality community in shaping the future of our industry. After all, in hospitality, innovation begins with connection—and there's no better time to connect than now.

CU in 2025!

Henri Roelings
Founder, Hospitality Net
